

Lance Tarbell, RA, LEED AP, is a LEED project manager at Doo Consulting, LLC. Lance's experience includes project team coordination and project management for multiple project types and LEED rating systems, including New Construction and Major Renovations, Core & Shell, and Commercial Interiors. His work focuses on LEED documentation, coordination, and review.

Lance holds a Bachelor of Architecture from Virginia Tech. Prior to joining Doo Consulting, His previous experience spanned design and construction administration services including project team coordination, on site observation for conformance with contract documents, and submittal review for Marks, Thomas Architects. Lance is a member of AIA Baltimore where he serves as Chair of the Committee in the Environment and member of USGBC Maryland Chapter where he serves on the Events Committee. He also enjoys sharing outdoor adventures with his son as an Assistant Den Leader for Cub Scouts.
